- Energy saving: 80 %
- Lifetime: 8000 hour(s)
- Lifetime: 4 year(s)
- Dimmable
- Light effect: Warm white
- Light source: Energy saving lamp

Highlights

Carbon footprint
Philips energy saving lamps reduce the amount of energy use in your home, which results in a lower energy bill and less carbon (CO_2) output by your energy supplier.

Energy efficient
All Philips energy saving lamps save energy from the moment you turn the switch. During their lifetime these Philips lamps use fewer kW, resulting in a lower energy bill. The level of energy saving differs per lamp type and technology.

Reliable quality
Philips keeps its promises about performance of its energy saving lamps. You can trust what the Philips packaging is saying about light output, lifetime and wattage equivalents to incandescent lamps.

Wide-range dimming
Whatever light level you desire, the Philips energy-saving dimmable bulb delivers. Light level can be adjusted to suit the situation, whether that be watching TV, reading, eating or entertaining friends.
